

FACT 12: The Koran does not seem to give a clear direction (plan) to obtain salvation so Muslims are never sure if their works are enough to satisfy their capricious god Allah, whereas born-again Christians believe they are saved by the **grace** of God and not by their good works.

According to the Koran, perhaps the men who die in Jihad might have a chance of "salvation" but their idea of paradise (Heaven) is a great sexual pleasure house in the sky which seems to be more of a carrot in front of the (warrior) donkey's nose to encourage them to commit irrational acts of bravery, rather than a genuine offer of eternal life.

Summary: If Islam is the **true religion** it makes you wonder why it didn't get off the ground, so to speak, for the best part of recorded history. Why would an all-powerful God (Allah) not reveal his personality, plan for salvation, prophecy, morals and laws until many lost souls had perished down through time?

REAL SALVATION: The Bible says in John 3:3 that you must be **BORN AGAIN** to see the kingdom of GOD. It also says in Romans 10:9...*"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."* This means that if you **sincerely believe** on **JESUS**, his shed blood for your sins, his victory over Satan and death (resurrection), then you will receive the HOLY SPIRIT as a **gift from God**, which is a guarantee of being sealed in God (YAHWEH) **forever by His grace and not by your own works**---so easy... "Praise God."

WHAT IS ISLAM?

FACT 1: Islam is a relatively new religious belief compared to the other major religions of the world. Islam was founded at about 620 AD by an Arab named Mohammed whereas the old Hebrew Bible texts point back in time to Abraham (approx.2000 BC) and beyond to the creation of all things ~ *Genesis 1:1*.

FACT 2: As Islam was a new religion founded by Mohammed he needed to give it an historical credibility so he borrowed (*plagiarized*) some parts from the Judeo-Christian bible, took a high percentage from Arab pagan religion and culture, and some from Jewish fables. Thus, this made up much of the material for the Islamic holy writings of the Koran and the Hadith.

FACT 3: Many pre-Islamic Arab religious traditions were adopted into Islam by Mohammed, including pilgrimage to Mecca, praying towards Mecca, marching around the Kabah (*cube*), kissing holy stones, throwing stones at the devil, Ramadan-fasting, and the worship of Allah.

FACT 4: Muslims claim their god Allah is the same god as the God of the Bible but in fact the name of the biblical Holy God was originally written as **YHWH** and probably pronounced "YAHWEH". This has been supposed to mean **self existence**, (I AM THAT I AM). In latter times Yahweh was translated into JAHOVAH or JEHOVAH which is a hybrid word formed from the consonants YHWH and vowels from ADONAI. The name **ALLAH is found nowhere in the Judeo-Christian Bible** or associated texts except some erroneous Arab translations of the Bible where the name Allah was inserted to avoid persecution. Most modern English versions of the Bible, when referring to God (YAHWEH) by name, show it as "LORD" or "Lord".

FACT 5: ALLAH was a pre-Islamic **MOON GOD** with a wife (the sun) and three daughters, Al Lat , Al Uzza and Manat. This god ALLAH and the lesser goddesses were all worshiped at Mecca

FACT 5: ALLAH was a pre-Islamic **MOON GOD** with a wife (the sun) and three daughters, Al Lat , Al Uzza and Manat. This god ALLAH and the lesser goddesses were all worshiped at Mecca

before Islam was founded. That is why the crescent moon is symbolised on Islamic countries' flags and mosques etc. Also, Ramadan the Muslim holy month, starts and finishes on the crescent moon. Some Muslims try to say Allah is just an Arabian generic name meaning God but Allah is a proper name applicable to the god peculiar to the Arabs.

FACT 6: It is recorded in the Hadith (*additional Islamic texts*) that Mohammed at times was bewitched and said things and saw visions under satanic (**occult**) inspiration.

Ref: *Hadith VOL .4,nos ,400 ,490 .*

In fact Mohammed was not of the ideal character to be the founder or prophet of a genuine religion and an example for his followers. He and his brothers in arms robbed camel caravans and villages and in the process they slaughtered defenceless men, women and children. They kidnapped and enslaved women, and used them for sexual pleasure. Mohammed also took a child bride (Aesha), and consummated the marriage when she was about 9 years old. To sum it up, Islam is based upon a **7th century barbaric Arab culture/religion.**

FACT 7: Many have called Islam "religion by the sword" and some have called it a "religion of hate".

Since its inception Islam has spilt blood almost continually since the 7th century to keep a grip on its own people and to intimidate others, i.e. through war, terrorism and Sharia law. Muslims are still burning property and **slaying people today** in Nigeria, Sudan and Indonesia etc. Admittedly the nominal Christian world did some evil things in the past, eg. the crusades and the inquisitions, however, most of these people were not genuine God-fearing, Bible believing Christians and most were to some degree politically motivated. These actions were contrary to biblical teaching and Christ's example, whereas Islamic **violence is commanded by the Koran.**

FACT 8: Islam has a charter to eventually convert the whole world to its religious beliefs, **by force** if necessary, even beheading infidels (*any people not of the Islamic faith*) who won't convert. Beheading is the method preferred for execution by Mus-

before Islam was founded. That is why the crescent moon is symbolised on Islamic countries' flags and mosques etc. Also, Ramadan the Muslim holy month, starts and finishes on the crescent moon. lims and is being used in some nations today such as Saudi Arabia where there is Sharia law. In Islamic doctrine there are two households: (a) Dar ul-Islam (*household of Islam*) and (b) Dar ul-Harb (*household of non-Islam or War*).

This means that all Muslims living in a nation that has not been totally subdued by Islam are on a non-active war (*sleeper*) status, or they are to some degree already being militant eg. Philippines, Indonesia, Sudan, Nigeria, Israel and more. Understandably, Muslims will usually deny these things.

The Koran says in sura 9:29: **Fight against such of those to whom the Scriptures were given (Jews and Christians) as believe neither God (Allah) or the Last Day.**

It is also notable that in **all** the Islamic nations of the present world not one is considered a full on democracy.

FACT 9: In some Islamic countries (particularly those under Islamic Sharia law) such as Pakistan and Saudi Arabia, it is not unusual for the people to suffer incarceration without a court hearing or trial, torture, political assassination, the cutting off of hands, feet, ears, tongues, heads and the gouging out of eyes.

FACT 10: Some Muslims may not wish to participate in violence for the cause of Islam (**Jihad**) but usually the least they will do is give moral support.

The Koran says in Sura 9:5: **"When the sacred months are over slay the idolaters wherever you find them. Arrest them, besiege them, and lie in ambush everywhere for them"**. These are the types of verses that incite Muslims to be militant. Note the verses are written in the present tense!

FACT 11: The people who embrace Islam do need to be encouraged to get out of this "death trap religion" and come in to the light of the true GOD (Yahweh). Also the majority of the people of the Western World have fallen away from the true God, the God of Abraham, and don't search the bible for God's wisdom and truths anymore. This could eventually leave them vulnerable to demonic cults and religions and out of Almighty God's favour, unsaved and therefore bound for Hell. For your spirit, **the real you**, inside a body of flesh and blood, **never dies**, but goes to either **hell or heaven.**
